**CONCRETE PATCH & REPLACEMENT BID
JULY 1, 2010 to JUNE 30, 2013
THREE YEAR
PROPOSAL FORM**

The undersigned agrees to expend the necessary manpower and equipment to complete all the assigned work within the time set forth in this specification. Contractors and subcontractors of all tiers on public works in California are charged with knowing and complying with all provisions of the Prevailing Wage Law. The Prevailing Wage Law requires contractors on public works projects to pay the prevailing rate of hourly wages and fringe benefits as specified by the State Department of Industrial Relations. Carmichael Water District is a public utility and prevailing wage is required.

As the undersigned bidder you declare that he/she has carefully examined the Contract Documents therein referred to; and he/she proposes and agrees that, if this proposal is accepted, he/she will contract with Carmichael Water District.

Unit prices shall include but is not limited to the following: Provide all necessary labor, material, backfill material and compaction as required for all concrete work within the County of Sacramento Right-of-Way, tools, saw cutting, tear out and removal of all existing spoils and/or debris from purposed work area, specialized equipment, barricades, traffic and warning devices, compaction equipment, setting of water box(s) to finish grade, transportation, insurance, overhead and profit in accordance with the specifications.

Construction shall be in conformity with the Contract Documents and specifications prepared therefore and approved by the Carmichael Water District, which Contract Documents and specifications are hereby, made a part hereof.

The bidder proposes and agrees to contract with said Carmichael Water District, to furnish and perform all described work for the prices shown on the bid. The bid shall include all of the work as set forth in the specifications and other contract documents.

Bidding Contractor shall conform to and be in accordance with the latest edition of Sacramento County of Public Works Transportation Division standards

All work given to Bidding Contractor must be completed within 30 days of receipt of said work. The contract will be voided if work is not completed in a timely fashion and/or to Carmichael Water District Standards/Sacramento County Standards.

Bidding Contractor shall conform to and be in accordance with the latest edition of Carmichael Water District Construction Improvement Standards and the County of Sacramento Public Works Transportation Division Standards. The Bidding Contractor shall be responsible for all USA markings for underground excavation and insuring they are current at all times if required. All damages to the property, county roadway and right-of-way, overhead facilities and buried underground utilities shall be the responsibility of the Bidding Contractor to repair and/or replace at no cost or burden to Carmichael Water District

Pricing of sub-item categories: Some bid items are divided into sub-item categories based on the volume of work for each work assignment. Carmichael Water District expects a discount based on the volume of work provided by the contractor in the bid items. For example, the unit price for sub-item D must not exceed the unit price for sub-item C; C must not exceed B; B must not exceed A. Bids that provide for a higher unit price for a larger job will not be accepted.
