

The BIG Picture  
is a  
Regional Response  
to  
Groundwater Contamination

## Fair Oaks Water District Mission Statement

*The Mission of the Fair Oaks Water District is to provide our community with an adequate and reliable supply of water, exceeding all drinking water standards, at the lowest practicable cost.*

*Our watchword is excellence. We operate in a responsive, professional, environmentally responsible manner, balancing immediate and long term needs. The District strives to provide leadership in the community, and in **regional water resource activities.***

- Regional Approach

- Collaboration and Cooperation

- Water From The Basin Stays In The Basin

- Water From FO Area Stays In FO Area  
Do Ratepayers Want The Treated Water  
Uses For The Treated Water  
Gallon For Gallon Replacement

- Clean Up vs. Water Supply
